# Security Never Shuts Down

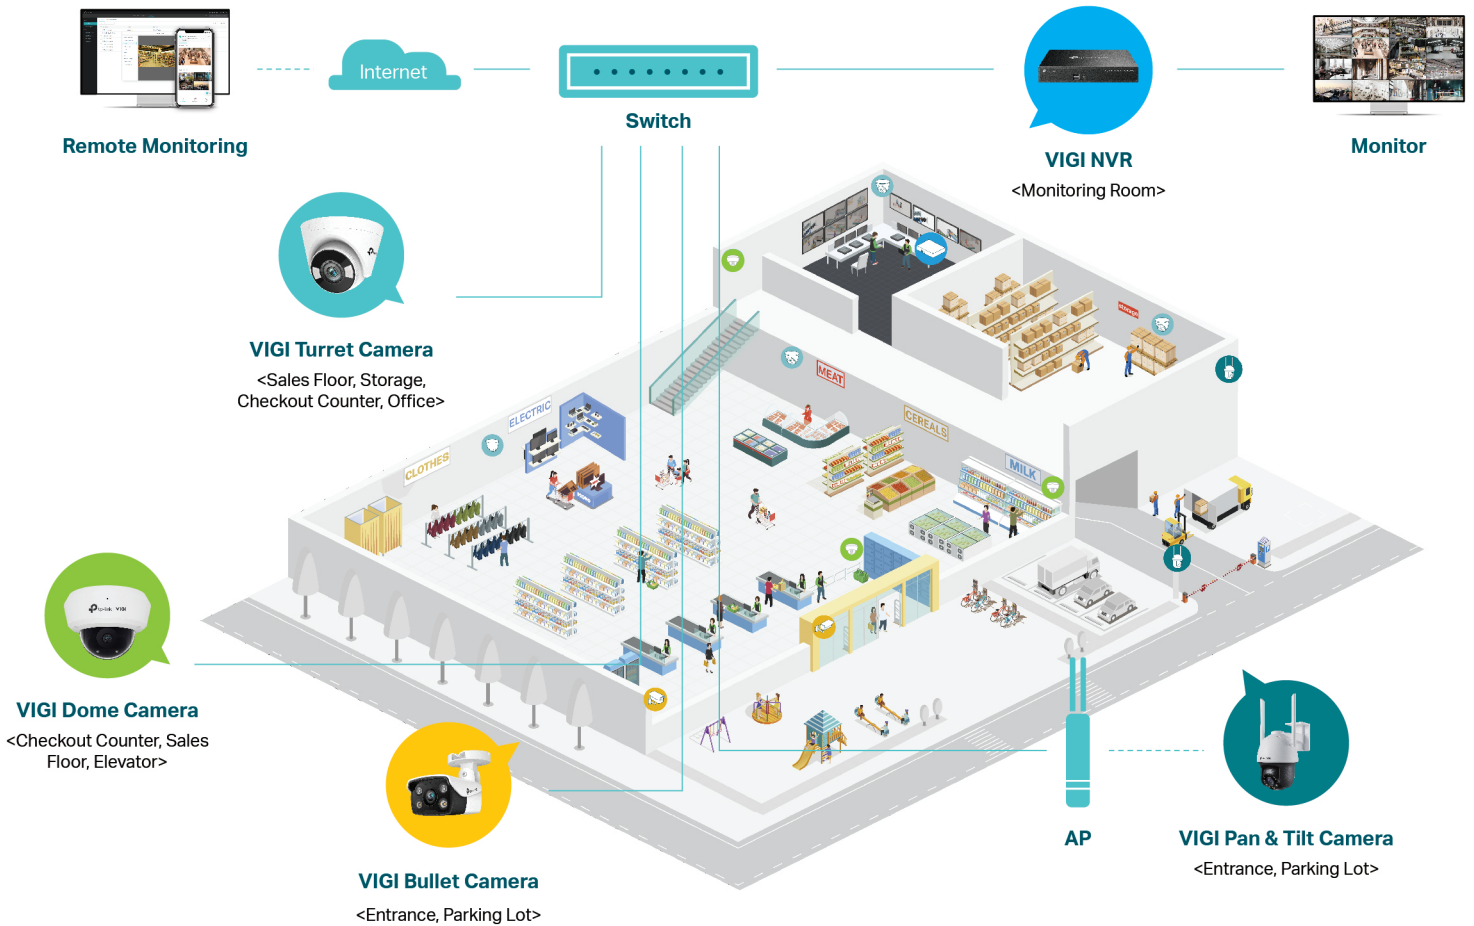

## VIGI Surveillance Solution

Retail | Education | Hospitality | Office | Accommodation | and More

The VIGI professional surveillance system by TP-Link is dedicated to protecting the business that you've worked hard to build—whenever, wherever. Outstanding functions, reliable quality guarantees, and simplified installation work together to ensure your business safe and sound.

### Typical Application

Note: For detailed industry solutions, please go to [www.tp-link.com/business-networking/solution/](http://www.tp-link.com/business-networking/solution/)

### Products / Management

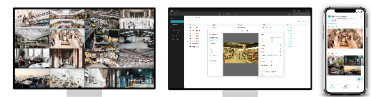

#### Network Camera

Provide 24/7 Full-Color images and reliable active defense features for vigilant security.

#### Network Video Recorder (NVR)

The nerve center of any surveillance system with extensive storage, simultaneous viewing, and more advanced features.

#### NVR UI / VIGI Security Manger / VIGI App

Seamlessly manage the NVR and cameras. Customize the management systems to suit your specific needs.
